RARE BOOKS OF OXFORD

Epigrammatum

Antonium Cellier

£350

Description

[28], 793, [3], 59, [1], 168pp. Full vellum, raised bands, spine in seven panels, title in ink to second panel, covers with central arabesque inside a two line panel with fleuron corner pieces inside a double fillet border.

Small amount of loss to first panel, some creasing and browning to spine, covers slightly splayed. Internally slightly browned and very lightly dust-stained to edges. Previous owners bookplate to front pastedown and another name to title page.

Additional engraved title.

Usual attractive Delphin edition.

Brunet III:1492, Schweiger 599
